Young Players Development Program at WGTA

TENNIS AT WALTER GRÜNFELD TENNIS ACADEMY (WGTA)

WALTER GRÜNFELD TENNIS ACADEMY(WGTA) is a tool designed to organize Tennis camps for Spanish and foreign children and adults, throughout the year, so that they have the opportunity to live a great experience surrounded by their favourite sport in a spectacular setting.

Due to our location in Barcelona (Spain), a city that breathes sport and that has been dedicated to sports activity for decades, we can offer a wide range of Tennis programs that fit the needs of each group that visits us, all with a climate and privileged temperatures throughout the year.

In WGTA we have different Tennis programs including the necessary equipment, accommodation, maintenance, daily and occasional transportation and a complete international medical coverage, so that groups that rely on our work do not have to worry about anything, except to spend a pleasant stay among us.

All Tennis programs are adapted to each group, according to age and level of skill and are taught by qualified professionals with extensive experience, who help children and young players to develop physically and humanly through sports, promoting values such as respect, education, effort, discipline, ability to overcome, order, punctuality, coexistence and fellowship.

It shares with WGTA the integral formation of the person through our passion for sport.

YOUNG PLAYERS DEVELOPMENT PROGRAM (YPDP)

“Development of a tennis player is more than just training them for the sport.....we must educate all young players holistically, not simply to focus on a particular aspect of the game”. The development should start early for the players to be truly involved and aware of the process.

Young Player Development Program:

We propose that players get the exposure from 10+ years onwards to understand the process and the requirements and the rigour of the game. For this we have put together a program which will help these young players manage both academics and training with intensity.

We offer a 3 and 2 year program:

- 3 year plan - 10 to 14 years of age - 3 months a year in BCN
- 2 year plan - 15 to 16 years of age - 4 months a year in BCN

What does YPD program include :

- Training in Barcelona as per plan
- Monthly fitness plan
- Competition plan
- Video talk 1 per week
- Nutritional plan + follow up
